Bortstein Legal LLC (“Bortstein Legal” or the “Firm”), special counsel to the debtors and debtors in possession in the above-captioned cases (collectively, the “Debtors”), in support of its fourth application for interim allowance of compensation for the period from October 1, 2009 through January 31, 2010 (the “Fourth Application Period”), respectfully represents:

Preliminary Statement

1. By this Fourth Application for Interim Allowance of Compensation (the “Application”), and pursuant to sections 330 and 331 of the Bankruptcy Code (as defined herein), Rule 2016 of the Federal Rules of Bankruptcy Procedure, and Local

Bankruptcy Rule 2016-1, Bortstein Legal requests that this Court authorize interim allowance of compensation for professional services rendered during the Fourth Application Period in the amount of \$541,345.00 in accordance with this Court's Interim Compensation Order (as defined herein). Bortstein Legal does not seek reimbursement of expenses for the Fourth Application Period. Bortstein Legal received payments totaling \$433,076.00 for the Fourth Application Period, which represents 80% of the fees incurred during the Fourth Application Period. Bortstein Legal now seeks payment by the Debtors of all amounts allowed but previously held back pursuant to the Interim Compensation Order (the "Holdback").

Jurisdiction and Venue

2. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. This Application is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

3. Commencing on September 15, 2008 and periodically thereafter, Lehman Brothers Holdings Inc. ("LBHI" and together with its affiliated debtors in the above-referenced chapter 11 cases, as debtor in possession, the "Debtors" and, collectively with the Debtors' non-debtor affiliates, "Lehman") and certain of LBHI's subsidiaries commenced with this Court voluntary cases under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. The Debtors are

authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

4. Prior to the events leading up to these chapter 11 cases, Lehman was the fourth largest investment bank in the United States. For more than 150 years, Lehman has been a leader in the global financial markets by serving the financial needs of corporations, governmental units, institutional clients and individuals worldwide. Its headquarters in New York and regional headquarters in London and Tokyo were complemented by a network of offices in North America, Europe, the Middle East, Latin America and the Asia Pacific region.

5. On November 5, 2008, the Court entered an order establishing procedures for interim monthly compensation and reimbursement of expenses of professionals [Docket No. 1388] (the “Original Interim Compensation Order”). On November 19, 2008, the Court amended the Interim Compensation Order [Docket No. 1604] (the “First Amended Interim Compensation Order”). On June 25, 2009, the Court amended the Second Amended Interim Compensation Order [Docket No. 4165] (the “Third Amended Interim Compensation Order” or the “Interim Compensation Order”). This Application is submitted in accordance with the Interim Compensation Order, which is annexed hereto as **Exhibit A**.

6. On December 17, 2008, the Court entered an order, pursuant to sections 327(e) and 328(a) of the Bankruptcy Code, authorizing the employment and retention of

Bortstein Legal as special counsel to the Debtors to review, structure, draft and negotiate vendor contracts [Docket No. 2277] (the “Bortstein Legal Retention Order”).

A copy of the Bortstein Legal Retention Order is annexed hereto as **Exhibit B**.

7. At a hearing on August 5, 2009, the Court awarded Bortstein Legal interim compensation in an amount equal to \$397,298.48 incurred from December 15, 2008 through and including January 31, 2009 (the “First Application Period”) and held back \$44,144.27, which represents 10% of the fees incurred during the First Application Period. At a hearing on September 15, 2009, the Court awarded Bortstein Legal interim compensation in an amount equal to \$1,303,321.50 incurred from February 1, 2009 through and including May 31, 2009 (the “Second Application Period”) and held back \$144,813.50, which represents 10% of the fees incurred during the Second Application Period. By Order dated April 9, 2010, the Court awarded Bortstein Legal interim compensation in an amount equal to \$670,480.00 incurred from June 1, 2009 through and including September 30, 2009 (the Third Application Period”).

8. This Application is filed in accordance with the Interim Compensation Order. The Debtors have incurred fees of \$541,345.00 for services rendered over 1,467.70 hours by Bortstein Legal during the Fourth Application Period, resulting in a blended hourly rate of approximately \$368.84.

9. For services rendered for the period from and including October 1, 2009 through October 31, 2009 (the “October 2009 Statement Period”), Bortstein Legal has been paid, in accordance with the Interim Compensation Order, \$125,050.00,

representing eighty percent (80%) of the \$ 156,312.50 in total fees incurred by the Debtors for services rendered for the October 2009 Statement Period. The total holdback amount pursuant to the Interim Compensation Order for the October 2009 Statement Period is \$31,262.50. Bortstein Legal did not seek reimbursement for any expenses for the October 2009 Statement Period.

10. For services rendered for the period from and including November 1, 2009 through November 30, 2009 (the “November 2009 Statement Period”), Bortstein Legal has been paid, in accordance with the Interim Compensation Order, \$109,125.20, representing eighty percent (80%) of the \$136,406.50 in total fees incurred by the Debtors for services rendered for the November 2009 Statement Period. The total holdback amount pursuant to the Interim Compensation Order for the November 2009 Statement Period is \$27,281.30. Bortstein Legal did not seek reimbursement for any expenses for the November 2009 Statement Period.

11. For services rendered for the period from and including December 1, 2009 through December 31, 2009 (the “December 2009 Statement Period”), Bortstein Legal has been paid, in accordance with the Interim Compensation Order, \$110,004.00, representing eighty percent (80%) of the \$137,505.00 in total fees incurred by the Debtors for services rendered for the December 2009 Statement Period. The total holdback amount pursuant to the Interim Compensation Order for the December 2009 Statement Period is \$27,501.00. Bortstein Legal did not seek reimbursement for any expenses for the December 2009 Statement Period.

12. For services rendered for the period from and including January 1, 2010 through January 31, 2010 (the "January 2010 Statement Period"), Bortstein Legal has been paid, in accordance with the Interim Compensation Order, \$88,896.80, representing eighty percent (80%) of the \$111,121.00 in total fees incurred by the Debtors for services rendered for the January 2010 Statement Period. The total holdback amount pursuant to the Interim Compensation Order for the January 2010 Statement Period is \$22,224.20. Bortstein Legal did not seek reimbursement for any expenses for the January 2010 Statement Period.

13. Bortstein Legal has annexed to the Application, as **Exhibit C**, a copy of the invoices for the October 2009, November 2009, December 2009 and January 2010 Statement Periods. Attached to each invoice are the relevant daily time records broken down by matter and listing the name of the individual performing the services, the date on which the services were performed, and the amount of time spent performing the services. Additionally, annexed to the Application as part of **Exhibit C**, is a list of all of the matters for which services were rendered and the aggregate amount of hours and fees expended for such matters during the Fourth Application Period.

14. Bortstein Legal has further annexed to the Application, as **Exhibit D**, a list of each individual in the Firm who has performed work during the Fourth Application Period on behalf of the Debtors, the position of each such individual, the year of law school graduation of each individual, his or her hourly billing rate, the aggregate time expended by each individual during the Fourth Application Period, and the amount of Bortstein Legal's fees attributable to each individual during the Fourth Application Period. The rate for each of the individuals listed in **Exhibit D** is equal to

the billing rate for such individual's time for similar services to clients in connection with other similar matters. Bortstein Legal believes that these rates are equal to or less than the rates charged to professionals with similar experience.

15. No objections have been submitted to the applications for the October, November, December or January Statement Periods as of the filing of this Application. Pursuant to the Interim Compensation Order, Bortstein Legal requests that this Court authorize payment of \$541,345.00 in fees for services rendered for the Fourth Application Period, which represents one hundred percent (100%) of the total fees for services rendered during the Fourth Application Period. The total holdback amount pursuant to the Interim Compensation Order for the Fourth Application Period is \$108,269.00. Bortstein Legal did not seek reimbursement for any expenses during the Fourth Application Period.

16. Pursuant to the Interim Compensation Order, as of the date of this Application, Bortstein Legal has received payment of 80% of the fees requested with respect to the monthly fee statements.

Summary of Services Rendered

17. During the Fourth Application Period, Bortstein Legal has assisted the Debtors in two specific areas: (A) Vendor Contract Structuring, Drafting and Negotiating, and (B) addressing vendor-related issues associated with the proposed LAMCO transaction.

A. Vendor Contract Structuring, Drafting and Negotiating

18. The Firm worked with the Debtors and its subsidiaries (including Aurora Bank and Real Estate Private Equity) to structure, draft, negotiate and re-negotiate numerous contracts with existing and new vendors, including outsourcing (IT, HR and Business Process), application service provider, software license, professional services, consulting services, hardware purchase and maintenance, reseller, non-disclosure, content license (including market data), and other technology and services agreements. In this regard, Bortstein Legal has also worked with Weil Gotshal & Manges, Debtors' primary counsel, with respect to resolving any disputes with vendors.

B. Assistance with the Proposed LAMCO Transaction

19. The Firm worked with the Debtors to identify vendor and consulting agreements to be assigned to LAMCO (including analyzing the scope and nature of the agreements), assisted in preparing for assigning agreements to LAMCO, and assisted in re-negotiations of agreements as a result of the proposed LAMCO transaction.

C. Miscellaneous Services

20. In addition to the services described above, the Firm also assisted the Debtors in developing revised form agreements and vendor-related policies and procedures, such as vendor background screening policies and procedures, data protection protocols, and an overall vendor management program. Bortstein Legal also kept itself apprised of general issues in the Debtors' cases in order to have familiarity sufficient to address specific issues it was engaged to address.

Evaluating Bortstein Legal's Services

21. The allowance of interim compensation for services rendered and reimbursement of expenses incurred in bankruptcy cases is expressly provided for in section 331 of the Bankruptcy Code:

[A] debtor's attorney, or any professional person . . . may apply to the court not more than once every 120 days after an order for relief in a case under this title, or more often if the court permits, for such compensation for services rendered . . . as is provided under section 330 of this title.

11 U.S.C. § 331.

Concerning the level of compensation, section 330(a)(1) of the Bankruptcy Code provides, in pertinent part, that the court may award to a professional person, including the debtor's attorney

reasonable compensation for actual, necessary services rendered by the . . . professional person, or attorney and by any paraprofessional person employed by any such person

11 U.S.C. § 330.

22. Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

(A) the time spent on such services;

(B) the rates charged for such services;

(C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and

(E) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

Id. § 330(a)(3).

23. Bortstein Legal submits that the services performed during the Fourth Application Period, for which it hereby seeks reimbursement, were necessary for and beneficial to the Debtors. The services rendered by the Firm during the Fourth Application Period required significant time and effort and were performed diligently and efficiently.

24. During the Fourth Application Period, Bortstein Legal encountered a variety of challenging legal issues, often requiring substantial research and negotiation. When possible, Bortstein Legal delegated tasks to lower cost junior attorneys. This approach has resulted in enhanced cost efficiency. Bortstein Legal submits that the services it rendered were beneficial to the Debtors' estate and were performed efficiently, economically and effectively and in a manner commensurate with the complexity, importance and nature of the problems, issues and tasks involved. Moreover, the Firm's request for compensation is reasonable in light of the nature, extent, and value of its services to the Debtors. Accordingly, approval of the compensation for professional services sought herein is warranted.

25. All services for which Bortstein Legal seeks compensation were performed for and on behalf of the Debtors. No agreement or understanding exists between the Firm and any other person for the sharing of compensation to be received for the services rendered in connection with the Firm's representation of the Debtors. No action prohibited by Section 504 of the Bankruptcy Code has been, or will be, made by Bortstein Legal. See Affidavit of Lawrence Bortstein, Esq., annexed to the Application as **Exhibit E**.

Procedure

26. Notice of this Application has been provided in accordance with the Interim Compensation Order. Bortstein Legal submits that given the nature of the relief requested herein, no other or further notice is necessary.

27. No previous application for the relief requested herein has been made to this or any other Court.

Conclusion

Based upon the foregoing, Bortstein Legal respectfully submits that the services rendered in the instant case during the Fourth Application Period have been efficient, economical and effective. Pursuant to this retention, the Firm will continue to represent the Debtors in addressing only those issues that are related to the review, structuring, drafting and negotiation of vendor contracts. As previously stated, Bortstein Legal requests that this Court enter an Order authorizing (i) an interim allowance of compensation for professional services rendered during the Fourth Application Period in

the amount of \$541,345.00, representing 100% of fees incurred during the Fourth Application Period; (ii) that the allowance of such compensation be without prejudice to Bortstein Legal's right to seek additional compensation for services performed and expenses incurred during the Fourth Application Period, which were not processed at the time of this Application; (iii) and directing payment by the Debtors of the difference between the amounts allowed and the amounts previously paid by the Debtors pursuant to the Interim Compensation Order; and (iv) such other and further relief as may be just or proper.

COMPENSATION AND REIMBURSEMENT OF EXPENSES OF PROFESSIONALS**

Upon the proposed amended order filed June 13, 2009 (the “Third Amended Order”), of Lehman Brothers Holdings Inc. and its affiliated debtors in the above-referenced chapter 11 cases, as debtors and debtors-in-possession (collectively, the “Debtors” and, together with their non-debtor affiliates, “Lehman”), pursuant to sections 105(a) and 331 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 2016(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to establish procedures for interim monthly compensation and reimbursement of expenses of professionals (the “Professionals”), all as more fully described in the Debtors’ Motion Pursuant to Sections 105(a) and 331 of the Bankruptcy Code and Bankruptcy Rule 2016(a) for Authorization to Establish Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals, dated October 11, 2008 (the “Motion”) [Docket No. 833] and the notice of presentment of the proposed Third Amended Order; and the Court having jurisdiction to consider the proposed Third Amended Order and the relief requested therein in accordance with 28 U.S.C. §§ 157 and 1334 and the Standing Order M-61 Referring to Bankruptcy Judges for the Southern District of New York Any and All Proceedings Under Title 11, dated July 10, 1984 (Ward, Acting C.J.); and

consideration of the Motion and the proposed Third Amended Order and the relief requested therein being a core proceeding pursuant to 28 U.S.C. § 157(b); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the proposed Third Amended Order having been provided in accordance with the procedures set forth in the amended order entered February 13, 2009 governing case management and administrative procedures [Docket No. 2837] to (i) the United States Trustee for the Southern District of New York; (ii) the attorneys for the Official Committee of Unsecured Creditors; (iii) the Securities and Exchange Commission; (iv) the Internal Revenue Service; (v) the United States Attorney for the Southern District of New York; and (vi) all parties who have requested notice in these chapter 11 cases, and it appearing that no other or further notice need be provided; and the Court having entered an amended order, dated March 13, 2009 (the “Second Amended Order”) [Docket No. 3102], governing the procedures for interim monthly compensation and reimbursement of expenses of professionals; and the Court concluded that there is cause to make certain amendments to the Second Amended Order; and the Court having found and determined that the relief sought in the proposed Third Amended Order is in the best interests of the Debtors, their estates and creditors, and all parties in interest and that the legal and factual bases set forth in the Motion and the proposed Third Amended Order establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, it is

ORDERED that the Second Amended Order is superseded in its entirety by this Third Amended Order; and it is further

ORDERED that except as may otherwise be provided in orders of the Court authorizing the retention of specific Professionals, all Professionals in these cases may seek

monthly compensation in accordance with the following procedures (the “Interim Compensation Procedures”):

- (a) On or before the **thirtieth (30th)** day of each month following the month for which compensation is sought, each professional seeking compensation, other than a professional retained as an ordinary course professional, will serve a monthly statement (the “Monthly Statement”), by hand or overnight delivery on (i) Lehman Brothers Holdings Inc., 1271 Avenue of the Americas, 45th Floor, New York, New York, 10020 (Attn: John Suckow and David Coles); (ii) Weil, Gotshal & Manges, LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Shai Y. Waisman, Esq.); (iii) Milbank, Tweed, Hadley & McCloy LLP, 1 Chase Manhattan Plaza, New York, New York 10005 (Attn: Dennis F. Dunne, Esq., Dennis O’Donnell, Esq., and Evan Fleck, Esq.), attorneys for the Creditors’ Committee; (iv) the Office of the United States Trustee for the Southern District of New York, 33 Whitehall Street, 22nd Floor, New York, New York 10004 (Attn: Andy Velez-Rivera, Esq. and Tracy Hope Davis, Esq.); and (v) Feinberg Rozen, LLP, The Willard Office Building, 1455 Pennsylvania Avenue, NW, Suite 390, Washington, DC 20004-1008 (Attn: Kenneth R. Feinberg, Esq.), Chairperson of the Fee Committee (as defined in the Order Appointing a Fee Committee and Approving a Fee Application Protocol, dated May 26, 2009 [Docket No. 3651]) (the “Notice Parties”).
- (b) The Monthly Statement need not be filed with the Court and a courtesy copy need not be delivered to chambers since this Motion is not intended to alter the fee application requirements outlined in sections 330 and 331 of the Bankruptcy Code and since professionals are still required to serve and file interim and final applications for approval of fees and expenses in accordance with the relevant provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the “Local Rules”).
- (c) Each Monthly Statement must contain a list of the individuals and their respective titles (e.g., attorney, paralegal, etc.) who provided services during the statement period, their respective billing rates, the aggregate hours spent by each individual, a reasonably detailed breakdown of the fees and expenses incurred (no professional should seek reimbursement of an expense that would otherwise not be allowed pursuant to the Court’s Administrative Orders dated June 24, 1991 and April 21, 1995 or the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 dated January 30, 1996), and contemporaneously maintained time entries for each individual in increments of tenths (1/10) of an hour or as close thereto as practicable.
- (d) Each Notice Party shall have at least **fifteen (15)** days after receiving the Monthly Statement to review the statement and, if the Notice Party objects to the compensation or reimbursement sought in a particular statement, such Notice

Party shall, no later than **the forty-fifth (45th)** day following the month for which compensation is sought, serve upon the professional to whose Monthly Statement the Notice Party objects and the other Notice Parties a written “Notice of Objection to Fee Statement,” setting forth the nature of the Notice Party’s objection and the amount of fees or expenses at issue.

- (e) At the expiration of the **forty-five (45)** day period, the Debtors shall promptly pay eighty percent (80%) of the fees and one hundred percent (100%) of the expenses identified in each Monthly Statement to which no objection has been served in accordance with paragraph (d) above.
- (f) If the Debtors object or receive an objection to a particular Monthly Statement, the Debtors shall withhold payment of that portion of the Monthly Statement to which the objection is directed and promptly pay the remainder of the fees and disbursements in the percentages set forth in paragraph (e).
- (g) If the parties to an objection resolve their dispute following the service of a Notice of Objection to Fee Statement and if the party whose Monthly Statement was objected to serves on all Notice Parties a statement indicating that the objection is withdrawn and describing the terms of the resolution, then the Debtors shall promptly pay, in accordance with paragraph (e), that portion of the Monthly Statement that is no longer subject to an objection.
- (h) All objections that the parties do not resolve shall be preserved and presented to the Court at the next interim or final fee application hearing to be heard by the Court in accordance with paragraph (j) below.
- (i) The service of an objection in accordance with paragraph (d) above shall not prejudice the objecting party’s right to object to any fee application made to the Court in accordance with the Bankruptcy Code on any ground regardless of whether the objecting party raised the ground in the objection or not. Furthermore, the decision by any party not to object to a Monthly Statement shall not waive or prejudice that party’s right to object to any fee application subsequently made to the Court in accordance with the Bankruptcy Code.
- (j) Commencing with the period ending January 31, 2009, and at four-month intervals thereafter, each of the professionals shall file with the Court, in accordance with General Order M-242 (which can be found at www.nysb.uscourts.gov), an application (an “Interim Fee Application”) for interim Court approval and allowance pursuant to sections 330 and 331 of the Bankruptcy Code (as the case may be) of the compensation and reimbursement of expenses requested in the fee statements served during such period (the “Interim Fee Period”). Each professional shall file its Interim Fee Application within 75 days after the end of the Interim Fee Period for which the request seeks allowance of fees and reimbursement of expenses. Each professional shall file its first Interim Fee Application on or before April 10, 2009 and the first Interim Fee Application shall cover the Interim Fee Period from the Commencement Date

through and including January 31, 2009. All professionals not retained as of the Commencement Date shall file their first Monthly Statement for the period from the effective date of their retention through the end of the first full month following the effective date of their retention, and otherwise in accordance with the procedures set forth in this Motion.

- (k) The Debtors' attorneys shall obtain a date from the Court for the hearing of fee applications for all retained professionals. At least 30 days prior to such hearing, the Debtors' attorneys shall file a notice with the Court, with service upon the U.S. Trustee and all retained professionals, setting forth the time, date and location of the fee hearing, the Interim Fee Period applications cover and the objection deadline. Any retained professional unable to file its own fee application with the Court shall deliver to the Debtors' attorneys a fully executed copy with original signatures, along with service copies, three business days before the filing deadline. The Debtors' attorneys shall file and serve such application.
- (l) The pendency of an application or a Court order that payment of compensation or reimbursement of expenses was improper as to a particular Monthly Statement shall not disqualify a professional from the future payment of compensation or reimbursement of expenses as set forth above, unless otherwise ordered by the Court.
- (m) Neither the payment of, nor the failure to pay, in whole or in part, monthly compensation and reimbursement as provided herein shall have any effect on this Court's interim or final allowance of compensation and reimbursement of expenses of any professionals.
- (n) Counsel for the Creditors' Committee may, in accordance with the Interim Compensation Procedures collect and submit statements of expenses (excluding third-party counsel expenses of individual committee members), with supporting vouchers, from members of the Creditors' Committee; *provided, however*, that these reimbursement requests comply with this Court's Administrative Orders dated June 24, 1991 and April 21, 1995.

; and it is further

ORDERED that the Debtors shall include all payments to Professionals on their monthly operating reports, detailed by line item so as to state the amount paid to each of the Professionals, and detailed so as to state the amount paid to ordinary course professionals (which may be aggregated into one line item); and it is further

ORDERED that any party may object to requests for payments made pursuant to this Third Amended Order, or move to modify or vacate all or certain provisions of this Third Amended Order, on the grounds that (a) the Debtors have not timely filed monthly operating reports, (b) the Debtors have not remained current with their administrative expenses or fees due under 28 U.S.C. § 1930(a)(6), (c) the Debtors are administratively insolvent or approaching insolvency, and (d) cause otherwise exists; *provided, however*, that the inclusion in this Third Amended Order of the foregoing bases shall not be determinative of the validity of any such bases and all parties' rights are expressly reserved; and it is further

ORDERED that all time periods set forth in this Third Amended Order shall be calculated in accordance with Rule 9006(a) of the Federal Rules of Bankruptcy Procedure; and it is further

ORDERED that sending notice of the hearing to consider Interim Fee Applications to the Standard Parties entitled to notice pursuant to the Court's amended order entered on February 13, 2009 governing case management and administrative procedures for these cases [Docket No. 2837] shall be good and sufficient notice; and it is further

ORDERED that that this Court shall retain jurisdiction to interpret and enforce this Order.

Below is a list of each individual at Bortstein Legal who has performed work during the Fourth Application Period on behalf of the Debtors, the position of each such individual in the Firm, the year of law school graduation of each individual, his or her hourly billing rate, the aggregate time expended by each individual during the Fourth Application Period, and the amount of Bortstein Legal's fees attributable to each individual during the Fourth Application Period:

Name	Position	Law School Graduation Year	Hourly Billing Rate	Hours	Total Fees
Lawrence Bortstein	Managing Partner	1994	\$400.00	369.2	147,661.50 ¹
Sol Irvine	Partner	1998	\$375.00	171.6	64,350.00
Rusty Yuson	Partner	1995	\$375.00	1.0	375.00
Marc Robinson	Of Counsel	1999	\$375.00	20.9	7,837.50
Meredith Clair	Of Counsel	1998	\$375.00	6.6	2,541.00 ²
Amy Kwalwasser	Associate	2000	\$375.00	174.2	65,325.00
William Littman	Associate	2000	\$375.00	357.8	134,175.00

Jaime Abrams	Associate	2002	\$325.00	16.5	5,362.50
Brian Reay	Associate	2005	\$325.00	307.0	99,775.00
TOTAL				1,467.7	\$541,345.00

¹ Due to a clerical error in using the Firm's billing system, six of Mr. Bortstein's time entries related to the fee application review and hearing matter were inadvertently billed at a rate of \$395 instead of \$400. As a result, the amount in fees billed to the Debtors for Mr. Bortstein's services during the Fourth Application Period was \$147,661.50 instead of the intended \$147,680.00. Bortstein Legal is not seeking approval or payment of this \$18.50 discrepancy.

² The Firm credited the Debtors \$66 in February 2010 due to an inadvertent overcharge in January 2010. The billing rate for Meredith Clair for January should have been \$375, not \$385.

**CERTIFICATION PURSUANT TO
ADMINISTRATIVE ORDER RE: GUIDELINES
FOR FEES AND DISBURSEMENTS FOR PROFESSIONALS
IN SOUTHERN DISTRICT OF NEW YORK BANKRUPTCY CASES**

I, Lawrence Bortstein, Esq., certify as follows:

1. I am a member of the firm of Bortstein Legal LLC (“Bortstein Legal”). Bortstein Legal represents the debtors and debtors in possession in the above-captioned cases (collectively, the “Debtors”).
2. I submit this certification in conjunction with Bortstein Legal’s application, dated April 14, 2010 (the “Application”), for interim allowance of fees for the period October 1, 2009 through January 31, 2010, inclusive (the “Fourth Application Period”). The Application is being submitted pursuant to this Court’s Order Under 11 U.S.C. §§ 105(a) and 331 and Bankruptcy Rule 2016(a) Establishing Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals, dated June 25, 2009 (the “Interim Compensation Order”).
3. I am the professional designated by Bortstein Legal with the responsibility for Bortstein Legal’s compliance in these cases with the Administrative

Order, dated April 19, 1995 (the “Amended Guidelines”), in this District regarding guidelines for fees and disbursements for professionals in bankruptcy cases.

4. I have read Bortstein Legal’s Application and, to the best of my knowledge, information, and belief, formed after reasonable inquiry (except as stated herein or in the Application): (i) the fees and disbursements sought in the Application fall within the Amended Guidelines and the guidelines promulgated May 30, 1995, by the Office of the United States Trustee (the “UST Guidelines” and, together with the Amended Guidelines, the “Guidelines”); and (ii) except to the extent the fees and disbursements are prohibited by the Guidelines, the fees and disbursements sought are billed at or below the rates and in accordance with practices customarily employed by Bortstein Legal and generally accepted by its clients.

5. I believe that the Debtors have reviewed Bortstein Legal’s monthly fee statements that form the basis for the Application and have not objected to the amounts requested therein. Such monthly statements of fees and disbursements have been provided to the United States Trustee for the Southern District of New York (the “U.S. Trustee”), the Debtors, counsel to the Debtors, counsel to the Official Committee of Unsecured Creditors (the “Creditors’ Committee”), and counsel to the Fee Committee.

6. A copy of the Application will be provided to the U.S. Trustee, the Debtors, counsel to the Debtors, counsel to the Creditors’ Committee, and counsel to the Fee Committee, among other parties-in-interest, contemporaneously with the filing thereof.

7. Attached to the Application as Exhibit C is a copy of the daily time records maintained by the attorneys of Bortstein Legal in the ordinary course of business.

The time records set forth in reasonable detail the services rendered by Bortstein Legal in these cases.

8. Included as the first page to Exhibit C of the Application is a current list of the different matter headings under which time is recorded. That list includes all discrete matters within these cases during the Fourth Application Period that reasonably could have been expected to: (a) continue over a period of at least three months; and (b) constitute a significant portion of the fees to be sought for the interim period.

9. Bortstein Legal is not seeking reimbursement for expenses incurred during the Fourth Application Period. To the extent that Bortstein Legal does request reimbursement for expenses in the future, Bortstein Legal will not make a profit on such service, whether the service is performed by Bortstein Legal in-house or through a third party.

10. Bortstein Legal has sought to keep its fees at a reasonable level and to utilize professional services and incur expenses as necessary to competently represent the Debtors.
